Running a small business in today's digital world is hard. Especially without access to the right tools at the right time.

Developed in partnership with small business owners like you, **Verizon Small Business Digital Ready** provides free resources, networking, and coaching tailored to your individual needs. This program includes:

Personalized learning

A vast range of on-demand classes—from digital marketing and increasing your online presence to accessing finance—that will give you actionable strategies right away.

Live expert coaching

Get interactive guidance from business experts across legal, marketing, business planning and more—and then start to apply what you learn to execute your plan of action.

Peer networking

Connect with other small businesses and build your network to share knowledge, skills and business opportunities.

Incentives

Benefit from a marketplace of products and services that can help move your business forward, as well as being eligible to apply for exclusive grant funding.*

Our communities thrive on small business diversity. That's why we are committed to providing support for 1 million small businesses over the next decade—including yours.
